

# Our family businesses are moving under one roof!

**We are delighted to inform you that the two family-owned companies Bohrbüchsen AG and Make AG will in future operate jointly under the name MAKE AG. With our relocation to Münsingen, we are joining forces to create a center of excellence for precision mechanics – delivering the highest quality, precision and reliability.**

- New address: MAKE AG, Buchliweg 12, 3110 Münsingen
- Bohrbüchsen AG and Make AG become one – MAKE
- Facts: Total of 55 employees, 1,500m<sup>2</sup> production area and 700m<sup>2</sup> office space
- Our services remain unchanged: turning, hardening and grinding – for perfect precision!
- Your current contacts remain the same
- We are moving together with our sister company Derap AG (Engineering & Design)
- Date: January 2026

Further details regarding the exact moving date, telephone numbers, bank details, e-mail addresses and similar topics will be provided in December.

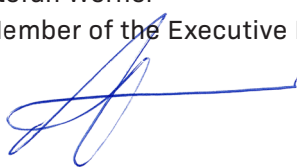

For any questions, feel free to reach us anytime at [info@bohrbuechsen.ch](mailto:info@bohrbuechsen.ch) or +41 33 437 11 48.

We look forward to welcoming you to our new home in Münsingen from January 2026.

Yours sincerely,  
Rolf Amstutz  
CEO

Stefan Werner  
Member of the Executive Board

Peter Keller  
Chairman of the Board
